LIVE FIRE REALITY BASED TRAINING

We use the Troysgate™ patented system to simulate a direct threat. Your personal weapon is used and you fire live rounds. It doesn't get any more real than this.

TRAINING IS THE SUM OF INSTRUCTION PLUS PRACTICE

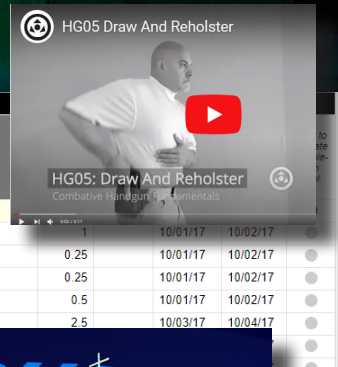

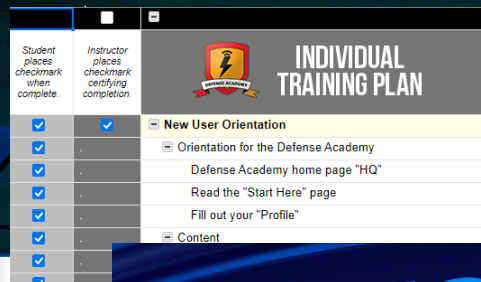

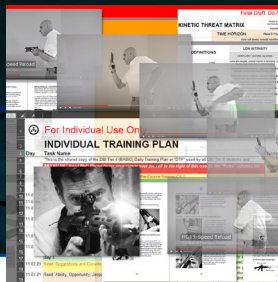

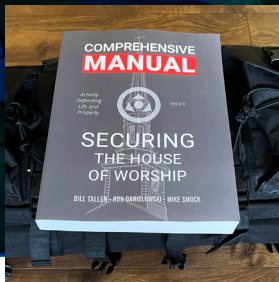

Your training will take place on the range and in live fire simulations. You will spend the majority of your three days holding a weapon and learning how to contend individually as well as part of a team. **All of your instruction is available on a thumb drive that you can take with you for your team's ongoing development.**

THE INSTRUCTORS

Ryan Gerten, Chief Instructor - Kingdom Defense, will be leading this school and is supported by a group of faith driven men with significant tactical backgrounds in law enforcement or the military.

THE FACILITIES
